Nico and Meg,

Hi, it's me, Pam Yarbrough (now Pam Detwiler Cutsinger). Remember me, I hope! John Liano and I have played phone tag all day and still haven't spoken but in his last voice message he told me you guys and opened Nico's Place. Send me an email with your cell and/or home nos. and I'll give you a call.

Pam,

Call me at the bar. Phone number is at our website, nicos-place.com, and leave your phone number. I haven't heard from you in years!!! Can't wait to get together with you. Are you still crazy after all these years? :silly: I think I am.

Meg
